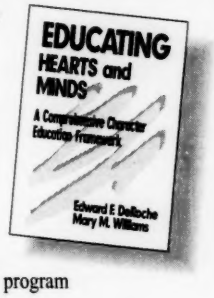
Educating Hearts and Minds

A Comprehensive Character Education Framework

Edward F. DeRoche, Mary M. Williams

This new guide provides the framework to help you design, implement, and maintain a character education program in your school or district. You'll learn to:



- Reach a consensus on what to incorporate into your program
- Customize a character ed program for your school's needs
- Develop a values curriculum
- Design a staff development program that helps sustain teachers interest in participating
- Get your community involved and caring about your program

Offers tested ideas, suggestions, and practices you can incorporate as is or customize to fit your students' needs. This practical book has all the tools and techniques you need to create a comprehensive, inclusive character education program in your school.
